

Pickle Protection Plan

Gerken Roofing and Contracting LLC warrants their workmanship on all roofing and siding installations for a non prorated period of 5 years. Installation is defined as removing existing roof to the deck, or removing siding to the bare walls to inspect for damaged underlayment. Gerken Roofing and Contracting LLC will service any and all issues caused by workmanship for the entire 5 year period. Warranty will be based off of scope of work completed. Warranty period begins the day work is completed. During project installation, there may be issues that arise beyond our control that require extra attention at additional charges. Should one of these issues arise and customer elects not proceed with the recommended repair, warranty will be void. Gerken Roofing and Contracting LLC is not responsible for leaks due to chimney mortar failure. Solar lights, flowers, garden boxes, Knick knacks etc. will be protected as best as possible at time of installation, however Gerken Roofing and Contracting LLC is not responsible for damage if it is not brought to our attention before installation. This warranty is for new roof and siding installations only. Gerken Roofing and Contracting LLC makes no warranty on repair work. Gerken Roofing and Contracting LLC is not responsible for issues caused by manufacturer defect, weather or other acts of God. Manufacturer defect issues will need claimed under manufacturer warranty policy
